

Nuria Castano-Ferrete

Mrs Nuria is a Spanish Montessori specialist at Mountain View Montessori. She received her Bachelor's degrees in Education from Universitat Autònoma de Barcelona where she is originally from. During her teaching career she's worked in Spain, England, Italy and now in Colorado. While traveling she learned different languages and discovered different ways of teaching: Montessori, Forest schools , International schools, Co-op education and more. While in Italy she worked in a Montessori school in the children's house and also with the 6-12 age group where she was able to learn the Montessori philosophy.

When she's not at school Mrs. Nuria loves reading, spending time with friends and family, watching movies, chocolate, coffee and traveling. While in Dublin she met her husband and in March they had a baby boy named Oliver. They also have a rescued dog named Otto Pancetta.
